

## ***MONTHLY CHALLENGE:***

Listen to your child's thoughts about the future

**41% of elementary students know how to plan ahead and make choices\***

*\*Results from Nov. 2012 survey of Grade 7,8 students at select elementary schools.*

### **Asset #32 – Planning & decision making**

- ✓ Support and respect their decisions.
- ✓ Offer ideas about what you think they might be good at.
- ✓ Encourage a wide range of interests.
- ✓ Work closely with the school team to explore options for successful planning.
